It was about eight o'clock on Friday evening when John Holmes called Seka to invite her to dinner the following evening. He had just bought a beautiful Spanish-style Villa and there was no one that he would rather show it off than his most favorite lady friend, Seka.

John and Seka had worked in many movies together, and they had grown very fond of each other. Both of them waited in eager anticipation of Saturday night.

Seka couldn't believe her eyes when she arrived at the Villa. It was the most beautiful home she had ever seen. The chef

had dinner ready, so they put off the tour until after dinner.

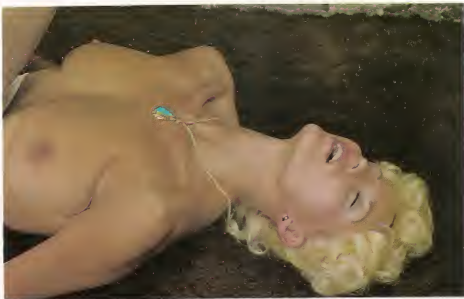

The dinner was exceptional and in candlelight atmosphere. They both dined quietly. John and Seka knew that tonight there would be no hot lights on the set or movie directors to interfere with what they both wanted

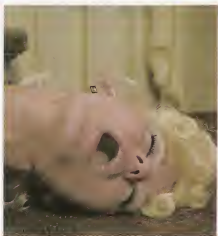

to do.

Following dinner, John took Seka through the Villa. It was the bedroom that appealed the most to Seka. It was done in blue and white, and if Seka ever had a fantasy love-making room, this was it. When they left the room, they knew they would return later.

John and Seka took separate stairways back down to the living room. They stopped half way down and could feel the beautiful warmth that was drawing them together like a magnet. They came on down the steps and met at the adobe fountain. They walked straight into each other's arms and for the first time that evening, felt each other's body. Their kiss was one of both love and lust. There was no denying that they were both

ready. John started kissing her neck. He felt her nipples grow hard while he held her tits in his hands. He slid her dress off her shoulders so he could kiss her warm flesh. Seka purred with delight. She couldn't resist laying her hand on his crotch. John had a huge erection just from Seka's warmth and proximity. The foreplay was beautiful as both enjoyed toying with each other.

Minutes later, John and Seka moved over to the brick fireplace and when they relaxed with more red wine, the mood could only indicate that more lovemaking must follow. The wine warmed their hearts and stomachs all the more. Even before Seka had finished her wine, John had layed her on the floor. Very gently, he raised her dress and lowered her panties. She was trembling with delight before John's tongue entered her shaved vagina. Seka had said publicly many times that John gives some of the best head that she has ever had, so it is not hard to realize how much she enjoyed John's tongue and fingers that night. As he probed and licked every area of her pink flesh, Seka screamed with delight. It was not one, two, or even three orgasms that came over her body. It was a multiple of back-to-back orgasms that left her trembling in ecstasy. It was a good thing that John carried Seka upstairs to the bedroom, because her knees no longer were dependable.

Once in the luxury of the bedroom, John and Seka couldn't wait to undress each other. Seka made John lay back so that she could return the pleasure he had given her downstairs. She gently stroked his hugh cock with her hands before placing it in her mouth. His penis filled her mouth totally, but

Seka loved the feeling of such a hard and hugh cock inside her mouth. She had enjoyed many different cocks but none to equal this one. She coordinated the up and down motion of her hand and mouth, and she could feel John's staff continue to grow. He loved it so much that he placed each other in a sixty-nine

with me that he ~~could~~ suck on her pink pussy at the same time. It was only minutes before Seka had an intense climax again.

At this point, Seka couldn't wait any longer. She mounted John's cock and let the full length of it slide into her wet cunt. She moved very slowly at first, but the hotter

she got the quicker her strokes became. Needless to say, she climaxed again.

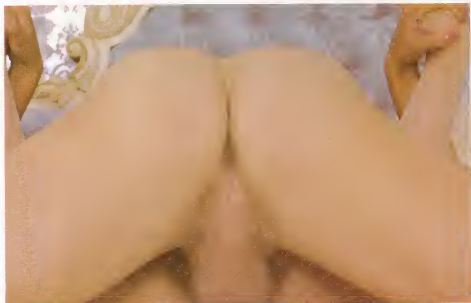

It was now time for John to take control. He turned Seka over and mounted her doggie-style. She could feel the penetration much more sharply in this position. When he gave her all thirteen inches, Seka thought his

Jack was going to come right out of her mouth. John kept driving his tool into her vagina, while Seka slammed her ass against him. Neither of them could get enough of each other.

John turned Seka over on her back and once again entered her beautiful pussy. They were looking into each other's eyes

now and they both knew that they were going to cum together. Seka was terribly turned-on now. She told John to fuck her hard . . . extra hard. As she was getting ready to climax, she begged John to cum at the same time. She told him that she wanted to feel his hot cum shooting inside her. Their fucking grew wilder,

and right at the height of ecstasy, John shot his load deep into Seka's vagina. As she felt his warm sperm, Seka climaxed in wild abandon. They both trembled with a joy that is hard to imagine.

Seka and John laid very quietly in each other's arms. They both knew that this was a night which they would always remember. With these beautiful thoughts, they slipped into a restful bliss.
